NOTICE 23

Manifestazione/ Event: J/70 EUROPEAN CHAMPIONSHIP
Località/ Venue: MALCESINE
Data/ ora di esposizione: Posting date and time: 18:00

DATA / DATE : 27/06/2019

After 3 days of regatta you may find that your lifelines have become looser than required by the Class Rules C.7.2 (a) (1).

As stated during the inspection of your equipment and of your boat before racing, if your lifelines are looser than class rules permit it is still your responsibility to adjust and tighten them as necessary to restore them to legal.

In this case you need to break and remove the red seals, but this will not be considered by the Technical Committee to be an infringement of any rule.

It is important that the lifelines and rear gate wires are secured and at the correct tightness as stated in Class Rule C.7.2 (a) (1).

You are reminded also of Class Rule C.10.3 (b) (2), stating the maximum hoist of the mainsail.

If in doubt ask the Event Measurer.
